

BELMONT STRAIGHT BENCH

CODE: BAN-BE-R

DESCRIPTION

The Belmont Straight Bench provides a contemporary, functional, and stylish solution for urban environments. Manufactured from high-strength polymer, it ensures exceptional resistance to frequent use, impact, vandalism, and prolonged UV exposure. This ergonomic modular design seats up to four users and supports versatile combinations in a wide range of public or private settings.

Equipped with internal lighting and optional features including Bluetooth sound and mobile-device charging, the bench enhances any space with comfort, safety, and modern innovation.
