

BARCELONA BENCH

CODE: BANCA-BARCELONA

DESCRIPTION

The Barcelona bench delivers a contemporary and practical solution for urban settings. Manufactured from a high-strength polymer structure, this bench provides a sustainable and durable option. The ergonomic design ensures comfort, durability, and visual harmony in parks, gardens, plazas, and a wide variety of public or private spaces.

Suitable for indoor or outdoor installation, the bench is built with materials engineered to withstand harsh weather conditions, including rain, sunlight, hail, wind, and snow.
