

UTILITY CART

CODE: CARRO DE SERVICIO

DESCRIPTION

A versatile, heavy-duty cart developed for the transport of materials, utensils, and supplies in commercial, industrial, and hospital settings.

The sturdy construction combined with a functional layout allows easy movement, helping optimize cleaning, maintenance, and supply operations.

Large trays and a well-organized configuration contribute to higher productivity in demanding work environments.

FEATURES

- Three spacious tiers for storing and transporting a wide range of items
- Industrial-grade wheels deliver smooth and stable movement
- Easy-to-clean surface, resistant to stains and corrosion
- Compact and lightweight design, well suited for limited spaces
- Minimal assembly required, allowing quick setup and use
- High-quality aluminum posts for enhanced durability and strength

Reliable protection against spills and hazards

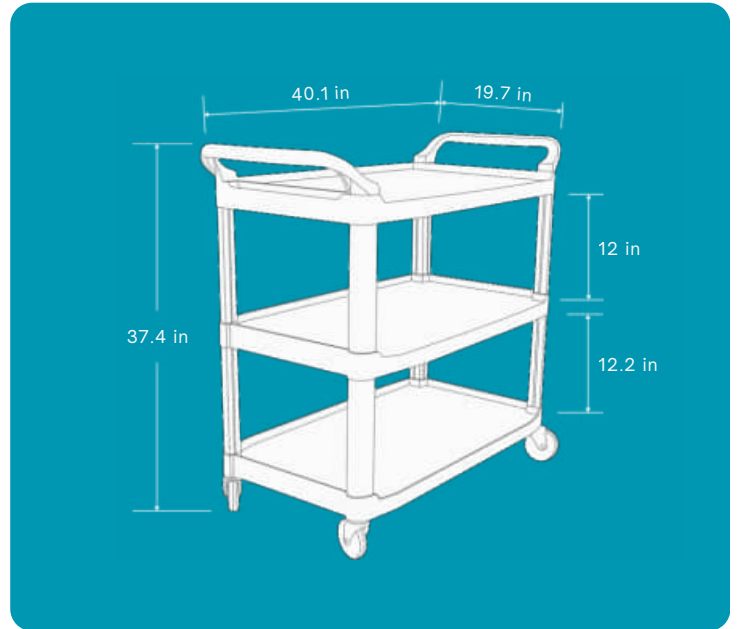

Improved safety in movement and load handling

Low maintenance requirements

DIMENSIONS

 Length	40.1 in
 Width	19.7 in
 Height	37.4 in
 Weight	38.6 lb

DESIGN & USE

The **Utility Cart** is designed for the efficient transport of tools, cleaning products, food items, and general supplies.

The wheels enable smooth movement, even through narrow corridors or across uneven surfaces. Spacious shelves and a robust design allow secure load distribution, helping reduce operator time and physical effort.

The versatile structure makes this cart a reliable solution for hotels, hospitals, restaurants, offices, and industrial facilities.

Smarter supply movement
For higher productivity
