

1100 WHEELED LAUNDRY CART

CODE: CARGA-CARRO-1100

DESCRIPTION

The 1100 Wheeled Laundry Cart features a one-piece high-strength polymer body that provides durability against impacts and long-term operational demands.

Suitable for the movement of large quantities of materials or waste, this cart includes UV protection and performs reliably under challenging weather conditions.

The closed structure assists in controlling contamination risks and promotes improved hygiene across daily operations.

FEATURES

- Designed to resist impacts and structural distortion
- Built for long-term performance in demanding operational settings
- Consistent material thickness enhances resistance to cracking and surface damage
- Reliable performance under adverse climate conditions
- One-piece construction with smooth edges
- Design focused on hygiene and contamination control
- Reinforced steel platform available as an option
- Mobility configuration with optional 6-inch caster wheels

Resists sudden temperature changes

Built to resist impacts

Designed for easy handling

DIMENSIONS

 Length	55.5 in
 Width	40.4 in
 Height	36.2 in
 Weight	88.1 lb
 Capacity	290.6 gal

Container color classification:

DESIGN & USE

- Front-inclined profile allows quick and controlled emptying
- Built to withstand impacts and structural stress
- Heavy-duty caster wheels deliver consistent maneuverability
- Commonly used in industrial facilities and hospitality operations
- Reliable performance in both indoor and outdoor environments

Enhance workflow efficiency
through a durable
and functional solution
