

# 450 WHEELED LAUNDRY CART

CODE: CARGA CARRO 450

## DESCRIPTION

The 450 Wheeled Laundry Cart is a high-strength container suitable for material and waste handling tasks across industrial facilities and hospitality operations.

The enclosed structure helps minimize contamination points and control unpleasant odors, contributing to cleaner and more controlled work areas.

Mobility can be enhanced with optional 6-inch swivel casters or a steel platform with wheels, providing flexibility for diverse workflows and space layouts.

## FEATURES

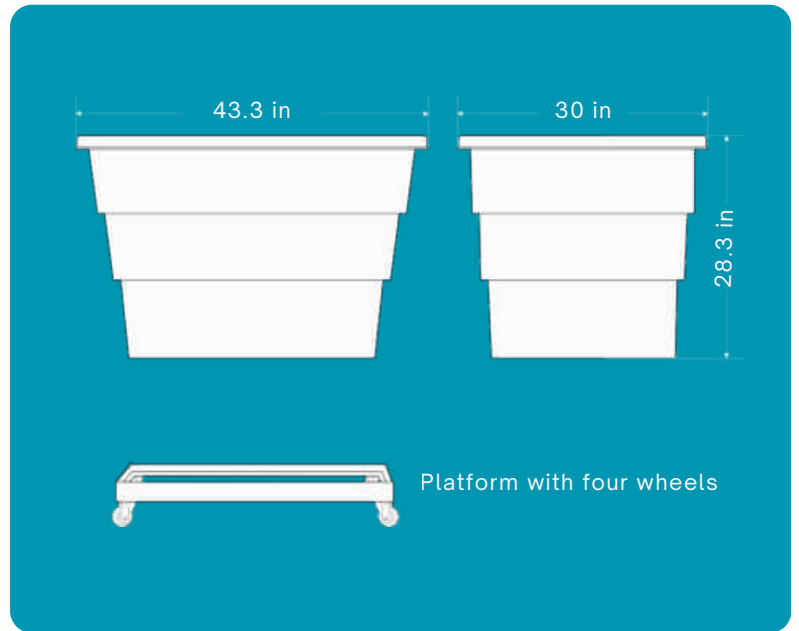

- Manufactured from high-strength polymer for demanding applications
- Maintains structural performance across humid, dry, hot, and cold conditions
- Designed for use with optional caster wheels
- Optional steel wheeled platform for enhanced mobility
- Inclined front profile for efficient handling
- Helps limit contamination points and control odors

 <p>Resists sudden temperature changes</p>	 <p>Built to resist impacts</p>	 <p>Designed for easy handling</p>
