

SMALL CYLINDER TRASH CAN

Code: CTO2330PER

CUSTOMIZATION

Based on your specifications, the container can be labeled with the appropriate waste type and customized with your company logo.

DESCRIPTION

The **CYLINDER TRASH CAN** is manufactured from 22-gauge carbon steel sheet with electric-welded joints for enhanced durability.

- Combines elegance and functionality, making it ideal for recycling waste or storing small objects
- Manufactured from durable materials, it is perfect for offices, homes, bedrooms, studios, and any indoor or outdoor space
- With an open-top design, it allows for easy use and bag placement, making emptying quick and convenient
- Featuring a compact, space-saving structure, it can be placed in hallways, narrow corners, or small rooms
- Finished with a black electrostatic powder coating, it features a pleasant tactile texture and is resistant to sunlight, water, and corrosion

DESIGN & USE

- Designed for versatile use in interior and exterior spaces
- Recommended for small waste items, it is easy to clean, drop- and abrasion-resistant, and features smooth, burr-free edges for safe and comfortable use
