

CLASSIC URN-STYLE PLANTER

CODE: TIUM-CU36

DESCRIPTION

Manufactured from high-strength polymer and molded as a seamless one-piece unit, the structure eliminates potential weak points, ensuring outstanding durability and dependable resistance to impact and harsh weather conditions

UV protection helps preserve color and finish under prolonged sunlight, while the moisture-retentive design keeps soil hydrated longer, reducing upkeep and watering needs.

Versatile and adaptable, it fits perfectly in indoor and outdoor environments such as gardens, public plazas, green rooftops, offices, homes, and reception areas.

FEATURES

- Single-piece design for superior structural integrity
- Engineered to resist impact and endure extreme outdoor environments
- UV-stabilized to prevent fading, discoloration, and premature wear
- Available with or without an optional aesthetic or protective coating

Resists sudden temperature changes

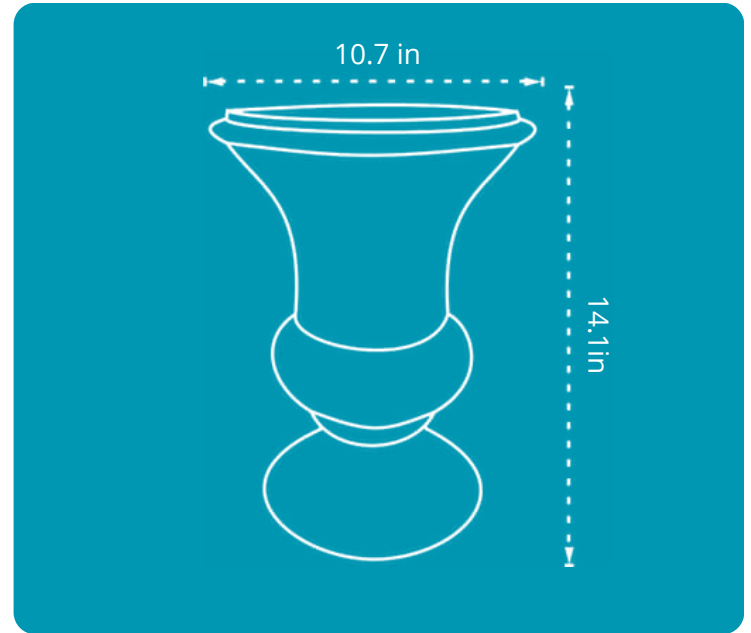

Built-in reabsorption mechanism

DIMENSIONS

 Height	14.1 in
 Diameter	10.7 in

Planter color coding:
