

# CU-50 CLASSIC URN-STYLE PLANTER

CODE: TIUM-CU50

## DESCRIPTION

The CU-50 Classic Urn Planter combines style, durability, and practical performance, bringing an elegant solution for enhancing interior and exterior spaces. Manufactured from high-strength polymer, its seamless one-piece body avoids structural weak points and delivers a long service life.

Engineered with UV protection and excellent weather resistance, the unit maintains appearance and structural integrity even in demanding outdoor environments. The refined design integrates beautifully into gardens, public squares, offices, residential areas, and rooftop gardens, providing a timeless and natural aesthetic.

Resists sudden  
temperature  
changes

Built-in  
reabsorption  
mechanism
