

TIUM VL38 LARGE VASE PLANTER

CODE: TIUM-VL38

DESCRIPTION

The TIUM VL38 Large Vase Planter is manufactured from high-strength polymer and molded as one continuous piece, free of joints or riveted sections. This construction prevents weak points, delivering superior structural integrity and dependable long-term performance.

Designed for outdoor use, the unit endures demanding weather conditions, offers reliable UV resistance, and can be customized with or without a decorative finish to match diverse design aesthetics.

FEATURES

- Manufactured from high-strength polymer
- Provides moderate impact resistance
- Available with or without an aesthetic coating
