

DOUBLE-SIDED A-FRAME SIDEWALK SIGN

Code: CAB-114B

True leaders do not follow
...they lead the way

WHAT IS AN A-FRAME SIDEWALK SIGN?

Temporary or permanent signaling device.

Practical design for easy transport and quick placement in various locations.

In addition, it serves as a safety road delineator, with space for messages on both sides.

Features

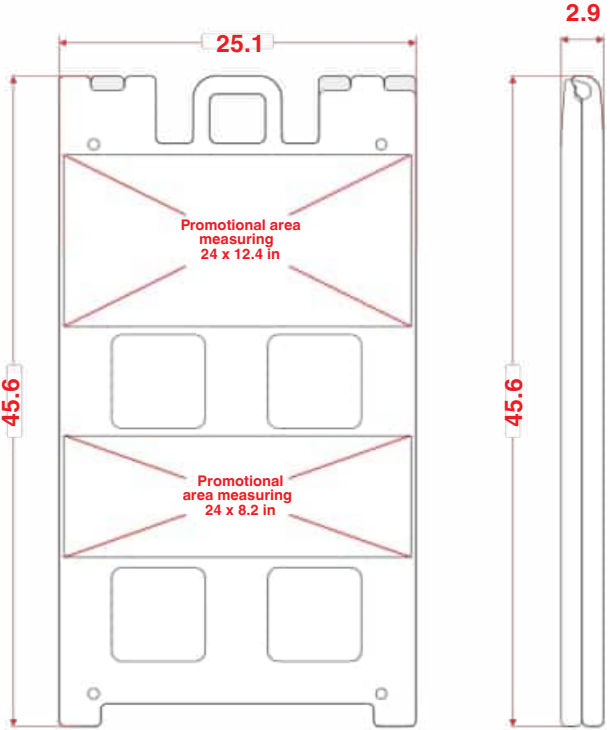

- Quick and easy to install, safe in use, and convenient to move.
- Foldable design minimizes the risk of finger injuries.
- Wide-opening structure provides excellent stability.
- Ergonomic handle ensures a secure and comfortable grip.
- Built-in safety clips ensure stability when stacking multiple units.
- Manufactured from durable white polypropylene with UV protection for long-lasting performance.
- Reflective elements on both sides enhance visibility.
- Compact design reduces storage space requirements and lowers shipping costs.
