Features

- Built with flexible, heavy-duty PVC for superior durability.
- Rounded corners and edges increase user safety by reducing injury risk on impact.
- Immune to environmental wear, corrosion, oxidation, and UV exposure.
- Designed for quick, secure installation on all terrain types.
- High-tech design features 8.53 in² of high-intensity reflective sheeting at the top, delivering optimal night-time visibility and guiding drivers safely.

Volumes, dimensions, and other measurements are nominal and may vary by $\pm 2\%$.
